

## **ABB Power Electronics Inc.**

## EC Declaration of Conformity

We, the undersigned,

| Manufacturer                        | Select:                              |
|-------------------------------------|--------------------------------------|
|                                     | ABB Power Electronics Inc.           |
| Address, City                       | 305 Gregson Drive                    |
|                                     | Cary, North Carolina 27511           |
| Country                             | United States                        |
| Phone number                        | 972-244-9330                         |
| Fax number/e-mail                   | rick.morrison@elpc.abb.com           |
| Authorized representative in Europe | Anthony-Michael O'Connor             |
|                                     | Lead Customer Service Manager        |
|                                     | ABB Power Electronics (Germany) GmbH |
|                                     | anthony.oconnor@de.abb.com           |
|                                     |                                      |
| Address, City                       | Ottobrunner Str. 28                  |
|                                     | 82008 Unterhaching                   |
| Country                             | Germany                              |

Certify and declare under our sole responsibility that the following component:

| Description     | Components DC Distribution Panel for use with Information  |
|-----------------|--|
|                 | Communication Technology Equipment   |
| Manufacturer    | GE Power Electronics, Inc.   |
| Identification  | J2012001 L011, L011B, L017, L017B, L017E, L017BE, and L117   |
| Restrictive Use | This product is intended for the integration into end-user equipment. All the required procedures for CE marking of end-user equipment should be followed. |

Product indicated conforms to the essential requirements of the RoHS Directive 2011/65/EU and amended Directive (EU) 2015/863. The RoHS Directive 2011/65/EU and amended Directive (EU) 2015/863 are based on the following harmonized standard and RoHS exemptions:

| EU Harmonized Standards |  |
|-------------------------|--|
| EN 63000:2018           |  |

| Exemptions: |  |
|-------------|--|
|             | Lead in high melting temperature type solders (i.e. lead based   |
| 7a          | alloys containing 85% by weight or more lead)                    |
|             | Electrical and electronic components containing lead in glass or |
|             | ceramic other than dielectric ceramic in capacitors, e.g.        |
| 7cl         | piezoelectric devices, or in glass or ceramic matrix compound    |
| 6c          | Copper alloy containing up to 4% lead by weight                  |

This product carries the CE mark, which was first affixed in 2021.
